EDUCATION

VIT Bhopal University   Expected May, 2026
   B. Tech CSE(Core) | CGPA: 7.73

Sri Sankara Vidyalaya Bhilai   June, 2021
   Higher Secondary | Percentage: 79.8%

SKILLS

- HTML, JavaScript, MongoDB, Firebase, Node.JS, Express.JS, Tailwind CSS.
- Canva, MS Excel, Java, MS PowerPoint, C++ Basics

PROJECTS

Health ++   Oct, 2024 – Apr, 2025

- **Developed Health++, a healthcare platform** enabling patient registration, symptom analysis, and doctor selection, streamlining the medical consultation process.
- **Integrated Google Maps API** for location-based doctor searches, allowing patients to book one-time or long-term treatment plans based on ratings and specialization.
- **Engineered a secure medical data-sharing system** where doctors can access and update patient profiles, ensuring encrypted transactions and role-based access control.
- **Designed a modular architecture for future enhancements,** including AI-driven diagnostics, wearable device integration, and telemedicine capabilities, improving platform scalability.

Pizza Delivery   Feb, 2024 – May, 2024

- Developed and deployed a dynamic **developer portfolio** using **Next.js and Tailwind CSS,** showcasing projects, skills, and experience with smooth UI transitions.
- Integrated **NextAuth.js** for secure **Google OAuth login,** enabling authenticated access for admin-side editing or future scalability.
- Optimized responsive layout for all screen sizes with a mobile-first design approach, ensuring high performance and clean accessibility.
- Deployed on **Vercel** with custom domain support and continuous deployment via **GitHub**, maintaining a professional and modern web presence.

EXTRA-CURRICULARS AND ACHIEVEMENTS

Achievements

- Completed a disciplined **100 Days of Code** challenge centered on C++ and Data Structures & Algorithms, while building a strong foundation in algorithmic thinking and strengthening problem solving skills and coding proficiency.

Extra-Curricular

- **National Service Scheme - VIT Bhopal University** – Led awareness campaigns and community engagement initiatives, including skits on women's empowerment and voter awareness, fostering civic responsibility and social change.
- Won **Aarambh Tournament 2022** at VIT Bhopal after being selected among top 120 from 840 students; contributed to team victory in the finals.

ADDITIONAL INFORMATION

- **Interests:** Gaming, Football, Playing Tabla, Listening Music, Tech Trendy.
- **Languages:** English (Professional working proficiency), Hindi and Chattisgarhi (Native or bilingual proficiency)
